### What was the situation like before you used EnozoPRO?

Before switching to Enozo we used a range of industrial cleaning chemicals with a lot of different chemicals needed for different tasks in the hotel.

### What convinced you to start working with the EnozoPRO and what were the results?

We have been working on various sustainability projects and always had an aspiration to reduce the amount of chemicals we use, we trialled different solutions but chose Enozo because of its simplicity and effectiveness. When we did the trial with Enozo the feedback from our team was excellent and the cleaning results were as good or better than the chemicals.

### What specific thing do you like most about the EnozoPRO?

Easy to use with one product for nearly all surfaces

What are the top 3 benefits of working with the EnozoPRO for you?

- Sustainable
- Great cleaning results
- Simple to use and can be used on many different surfaces

Would you recommend the EnozoPRO? If so, what's the main reason?

Working with Enozo is win-win, our team members get a great product which is simple to use and also supports our sustainability goals, and long term there will be a financial benefit from reduced chemical costs and better staff productivity.
